KRISHNA DAIRY

ABOUT US

Crafting Quality with Care

Our journey begins with our own herd of healthy, well-nurtured cows, ensuring a consistent supply of pure, high-quality milk. With years of expertise in dairy, manufacturing and trading, we pride ourselves on offering premium milk and milk-based products tailored to your needs.

Incorporated in 2006 as a milk collection and chilling center, with strong commitment to quality, high service orientation and commitment to improve and innovate with passage of time the company has grown to an ISO certified medium size dairy plant with 30 Bulk Milk Coolers and Milk Chilling Center following products

Alaknanda Butter Oil / AMF
Alaknanda Pasteurised White Butter
Pasteurised Fresh Cream in Bulk
